APEX ENDODONTICS PLLC.

Upon completion of treatment, patients return to their general dentist for final restoration.

Registration documents are completed prior to arrival with a website link that uploads directly into your chart (no printing). If you prefer to complete upon arrival, we will help with our tablets.

If you must cancel or change your appointment, notify us at least 2 business days ahead to avoid a fee. It may take several weeks to be rescheduled.

We offer calming amenities at no charge to our patients including blankets, aromatherapy, personalized music, and more.
